Promoting research
and innovation
environment in the
Libyan higher
Education System

MUSALIHA, Higher
education in Syria as a
tool for reconciliation
and peacebuilding

Mapping on family
farming in the region
of Europe, Central
Asia, Near East and
North Africa

RESEARCH

UNIMED Learn

- an online learning space where UNIMED members and projects can publish their open content, open courses, and educational resources
- Moodle based and provides tools for authoring, collaboration, and interaction
- supports a community of +3000 learners of all ages
- covers a wide range of domains (intercultural studies, digital education, journalism, governance)
- reflects the priority of UNIMED of opening up learning opportunities for every student and citizen from the Mediterranean basin and beyond

Occasional Paper

“The perceived impact of COVID-19 on Higher Education in the Southern Mediterranean”

- Co-authored by the SN members
- National snapshots (Algeria, Egypt, Jordan, Libya, Morocco, Palestine, Syria, Tunisia)
- Reinforced commitment to support the transition towards a new normal where digital technologies can be used to make university systems more equitable, efficient and sustainable, working with South Mediterranean universities, governments and stakeholders
