

Bots, Robots and Ozobots (7 to 13 years)

An adorable little robot that obeys your commands? And that follows routes exactly? After learning more about road signs and the main rules of road safety, we will program a colour-coded Ozobot. We promise to respect the Highway Code!

Biting Water (7 to 13 years)

Plastic has spread across the oceans and invaded the menu of marine animals. How can algae help us save planet Earth? We will show a few curiosities about these super aquatic plants and make an edible water bottle with the help of molecular gastronomy. Are you ready for a good "gulp of water"?

DURATION AND TIMETABLE

Birthday parties take place at weekends and on public holidays. The following slots are available 10h00 - 13h00 | 11h30 - 14h30 | 14h00 - 17h00 | 16h00 - 19h00.

The meeting point is at the entrance to the Pavilion of Knowledge shop. At the end of the party, participants will be taken to the same area, where they should be looked after by the adult in charge. The group should work as such, entering the party, carrying out the activity, visiting the exhibitions and leaving together. We would appreciate the cooperation of the adult in charge to ensure that guests respect the schedules established for the beginning and end of the party.

The party will have three parts: activity (1 hour), visit to the exhibition (1 hour) and snack (1 hour).

WELCOME AND ACCOMPANIMENT

The maximum number of participants, including the birthday child, is **30 children**. The party is accompanied by explainers from Pavilion of Knowledge – Ciência Viva Centre, who are responsible for the progress and completing of the party. **One adult must be present for every 10 children, their admission is free**. The party is only for children and **no adults other than the accompanying adults may be present** at any time during the party.

According to the COVID-19 Contingency Plan, the team of explainers will be equipped with personal protective equipment. Upon arrival of the participants, their **body temperatures will be measured and hands will be disinfected**. Backpacks, jackets and other belongings should be stored in a locker. Mask is compulsory from 10 years old. All materials used in the activities will be properly disinfected. During the activity, explainers will alert participants to the importance of hand hygiene, sharing hand sanitizer gel and making sure it is used correctly. Frequent hand washing will also be supervised at the washbasins.

Warning: the staff of Pavilion of Knowledge will assess non-compliance with the established rules or behaviours considered incorrect, and this may result in the suspension of the party.

PRICES

Without snack:

170€ up to 10 children

210€ 11 to 15 children

260€ 16 to 20 children

300€ 21 to 25 children

Includes: party activity programme | party sticker | a gift for the birthday child

With snack:

250€ for up to 10 children

320€ 11 to 15 children

380€ 16 to 20 children

430€ 21 to 25 children

460€ 26 to 30 children

Includes: program of party activities | sticker identifying the party | a gift for the birthday child | snack

These values correspond to the number of children indicated on the party reservation. No deductions will be made for children who do not show up on the day reserved. Should a higher number of participants than the number indicated upon reservation attend the party, the amount due will be increased by €14 per participant. The birthday child must be included in the total number of children.

Snack is provided by the company Atelier Gastronómico. The number of people considered is the number contracted with the Pavilion of Knowledge, according to the number of participants indicated by the party leader until **12 noon of the Wednesday before the party**. The snack includes: mineral water and juices, potato chips, cheese/ ham sandwiches, jelly, popcorn, cake, biscuits or equivalent and mini snacks. **Birthday cake is not included**. An explainer will remain in the area where the snack takes place to give support. The birthday child must be included in the total number of children indicated.

The adult in charge of the party may bring their own snack if they do not wish to use the snack service provided by the company mentioned above. Pavilion of Knowledge will provide a place for that purpose (Snack Area).

PAYMENT

The reservation requires an advance payment of **100€** and the submission of the filled in and signed reservation form, within a maximum of one week after the date of booking. Remaining payment should be made on the day of the party at the entrance. Lack of payment and delivery of the document implies the cancellation of the reservation. **Refund is available if cancellation is communicated to the Pavilion up to 15 days before the party.**

Only one (1) birthday child will be considered. For each extra birthday child, a fee of 50 euros will be added (the amount corresponding to each extra birthday child must be paid at the time of booking, together with the advance payment).

FORMS OF PAYMENT

- Directly in the Pavilion of Knowledge – Ciência Viva Centre (w/Multibanco).
- By bank transfer. If payment is made by bank transfer, the proof of payment must be sent by email (reservas@pavconhecimento.pt), together with the documents duly filled in and signed.

INVITATIONS

The Pavilion of Knowledge – Ciência Viva Centre shares printable invitations for children's parties on its website: <https://bit.ly/2S1aYqY>

CHANGES

To change the number of guests, please contact us until **the third working day prior to the party**. Otherwise, the number previously booked will be considered. The change should be requested via email or phone.
